

A Mantralaya Group Company

# Sree Mantralaya Petrochem

Company Brochure & Product Overview

## ABOUT

Sree Mantralaya Petrochem (SMP) is the leading trader of all kinds of plastic raw materials and imported granules for domestic and imported polymers in Andhra Pradesh and Telangana. We are dealers and distributors of BCPL, GAIL, Haldia, HMEL, HPCL, Indian Oil, MRPL, Nayara, OPAL and Reliance for Polypropylene and Polyethylene. We also trade Metallocene, PVC, PET, EVA, Polystyrene and Biodegradable Plastic (PBAT). With 35+ years of industry experience, SMP is the flagship company of the Mantralaya Group.

## PRODUCTS & SERVICES

---

### Homopolymer (PP)

- Textile wraps, garment bags, snack food packing
- Extrusion coating, fibre & filament
- Multifilament yarn, woven sacks, and non-woven fabric
- Rigid packing, thin wall containers, multicavity moulding
- Injection moulding & compounding applications

### Random Co-Polymer (PP)

- High clarity bottles, containers, sheets
- Clarified random co-polymer rigid containers
- Housewares & consumer products
- Transparent & translucent packaging

### Impact Co-Polymer (PP)

- Furniture, caps, and closures
- Sheets, blow moulded containers
- House wares, general products moulding
- Paint pans, luggage, industrial components
- Appliances, automotive compounding
- Batteries, automotive applications

### Polyethylene (PE)

- Woven sacks for fertilizers, food grains
- Blown film / blow moulding (lamitube)
- Blow moulding up to 100 litres
- Drip lateral, overhead tanks
- Heavy duty bags, greenhouse films
- Extrusion coating with/without slip
- Imported granules & masterbatches

## WHY CHOOSE US

Sree Mantralaya Petrochem stands apart through a commitment to quality, reliability, and customer satisfaction built over 35+ years in the polymer industry.

|                                                                                                                                          |                                                                                                         |
