

● 10% INTERVIEW RATE — INDUSTRY AVG UNDER 2%

Land interviews in weeks, not months.

Job hunting is exhausting — the tabs, the forms, the silence. **Matatah** carries that weight for you: it scans **6000+ company job boards**, AI-scores every role against your resume, tailors every application, and fills every form field. **You just review and say yes.**

Matatah — from *Hakuna Matata*, “no worries.” That’s the whole point: a job search you don’t have to dread.

AI-Powered Matching

Every role is scored before you see it. Only real matches surface — not keyword noise.

Zero Form Fatigue

No more 45-minute forms. The Chrome extension fills every field — even the custom questions.

Batch Apply

Pick a shortlist. Matatah fills each application and waits for your review — never submits without you.

Tailored Every Time

Generic applications get auto-rejected. Yours won't be — every CV is rewritten for that exact role.
